Additional Information

The addition of B2 as a passing mark to be left to starboard is to enable the race to be shortened at a line between B2 and the Anglesey shore if weather conditions make it unadvisable (or impossible) to sail through Puffin Sound.

The Race Officer may apply RRS 32 (Shortening after the start) and the provision of RRS 32.2(b): "the finishing line shall be a line the course requires boats to cross" ie B2 to a point on the Anglesey shore. If the course is shortened in this way the signals defined in RRS32 and RRS32.2 will be made ie the S flag shall be flown and two sound signals made.
